# Electric POWER

## Engineering Electrical Solution & General Order Supplier

## Introduction

We hope you will find our catalogue both informative and easy to use. We have included much more information within the tables and drawings to help you to select the product you require.

A commitment to excellent customer service also drives what we do. Part of this ensuring that we maintain good stock levels so you can relay on same-day dispatch from many of our products. We also deliver reassuring levels of quality. All of our equipment is designed, manufactured and tested to meet international standards. We are quality approved and accredited to **BS EN ISO 9001:2015**.

With extensive experience and technical expertise . We can also design and manufacture individual as per client requirements. The expertise and skills of genuine group of engineers with many years of exuberant professional experience in the preparation of preliminary technical and economical feasibility study, investigation and evaluation.

Electric Power Engineering is sister Concern Company of Electomed Services

- To Provide Quality Products accompanied with high quality of customer services
- To understand our customer needs and endeavor to meet their requirements.

# Our Products

Quality

## 4-GI Conduit & Accessories

- GI Conduit (HDG)
- GI Conduit PVC Coated
- Conduit All types Fittings
- Junction Box
- PVC End Bushing
- Conduit Supporting System

## 5-Electrical Components

- Miniature Circuit Breaker(MCB)
- Molded Case Circuit Breaker
- PLC S7-200 to S7-1500
- Contactor & Relays
- Distribution Box (DB's)
- General Electrical Items

## 6- Fasteners

- Heavy Hex Head Bolts GI
- Heavy Hex Nuts GI
- SS Nut Bolts
- Anchor Bolts
- Anchor Sleeves
- Threading Rods
- Rawal Bolts
- L-Key Bolts
- All Types of Nutbolts

# Our Products

Quality

## 7-Safety Products

- Life Saving Kits.
- Insulated Gloves
- Insulated Matting
- Warning Signs and Tapes
- Complete PPE's
- Complete Tools

## 8-Signage System

- Safety Signs
- Road Sign and Guard Rail
- Society Sign
- LED Mandatory Sign
- Guidance Sign Board
- Airport Sign system

## 9-Power Factor Panels(PFI)

- 50 KVAR
- 100KVAR
- 160KVAR
- 200KVAR
- 300KVAR
- 400KVAR
- 600KVAR
- Auto Manual Selection
- Complete Test Reports.

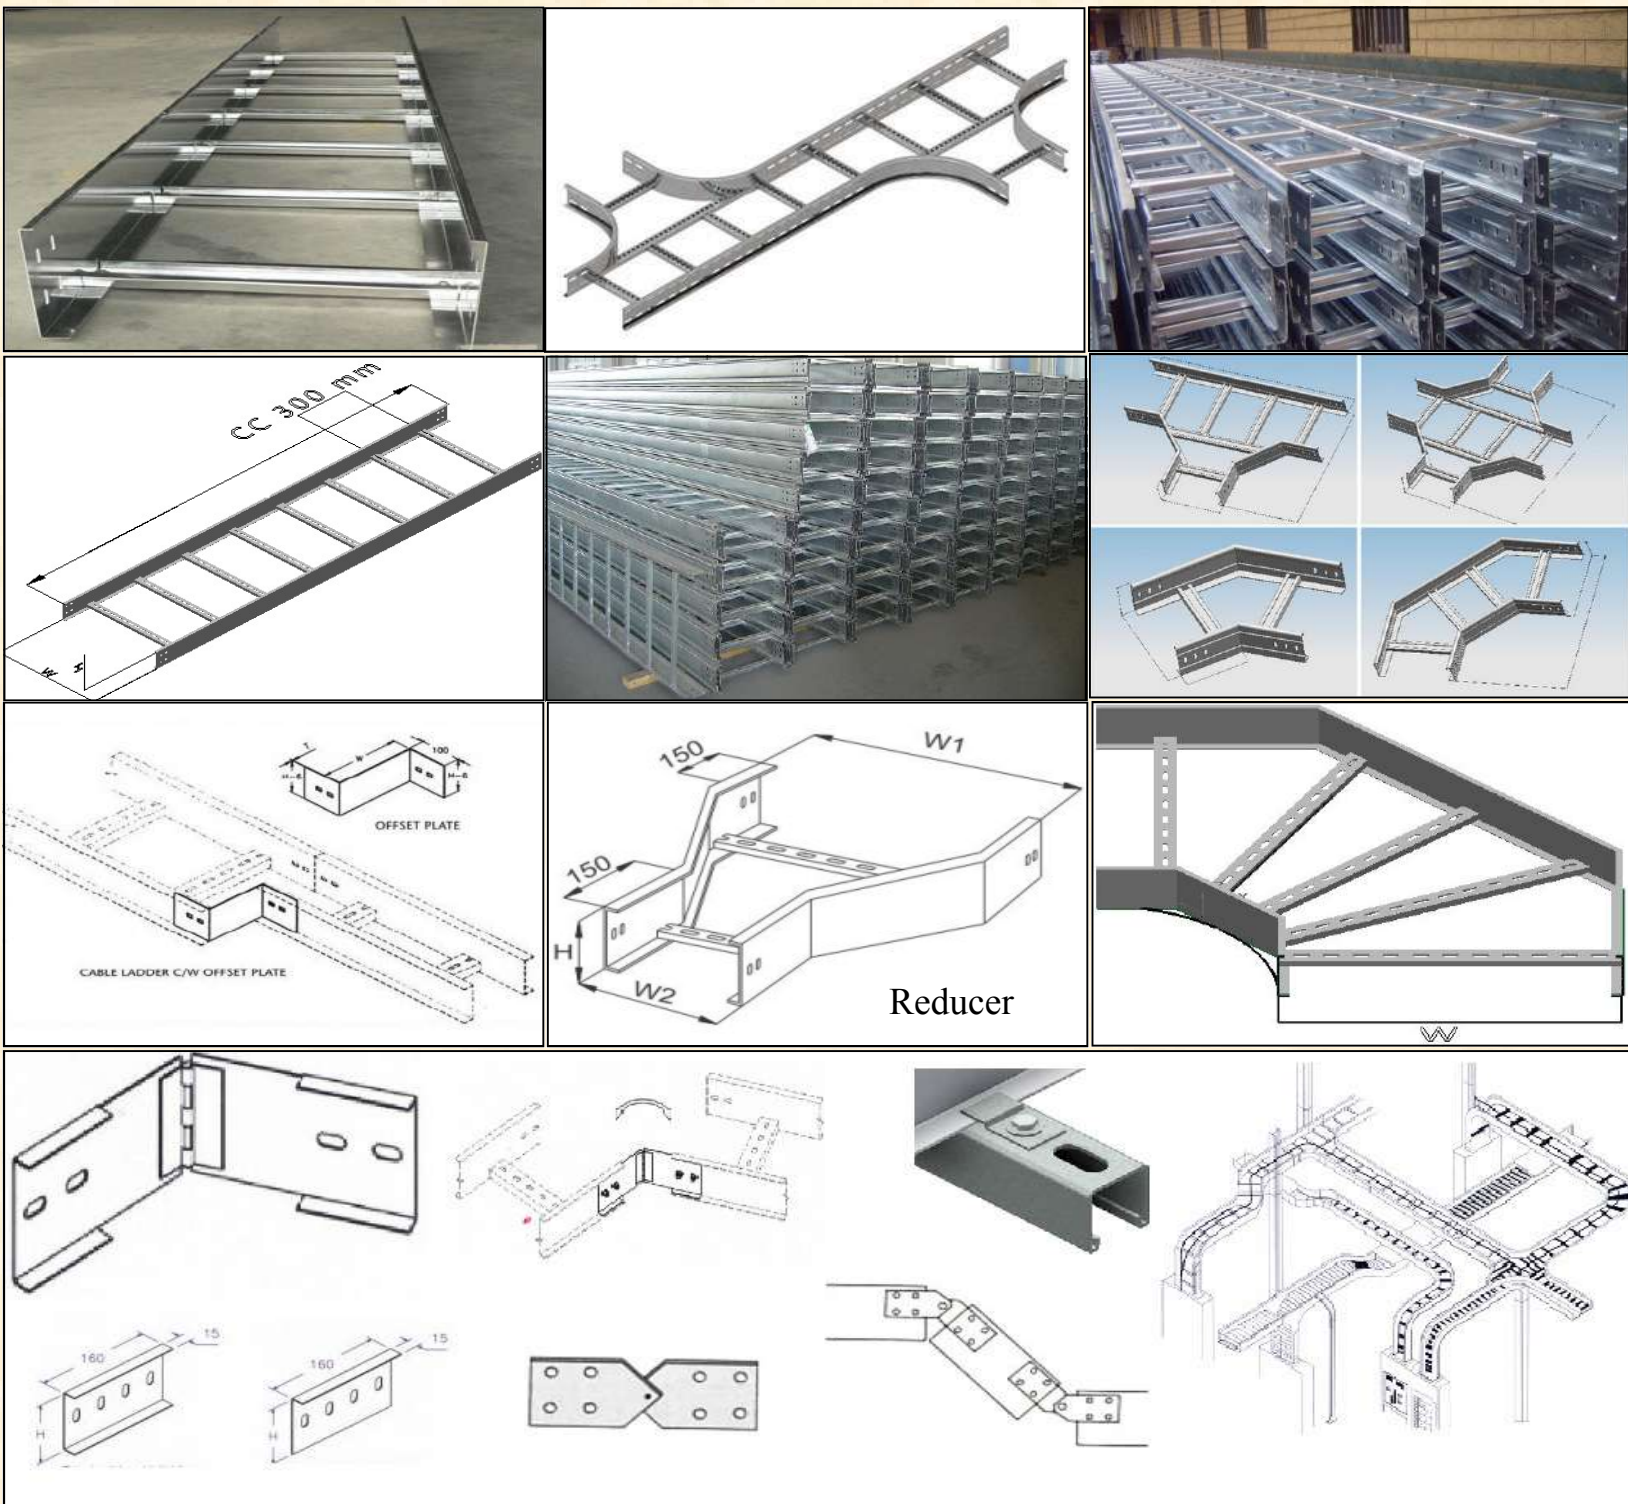

# Ladder Cable Trays

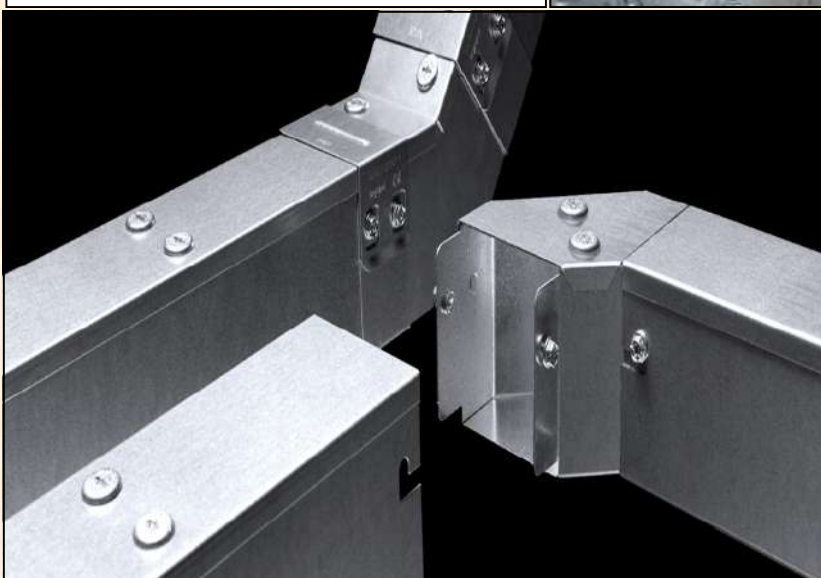

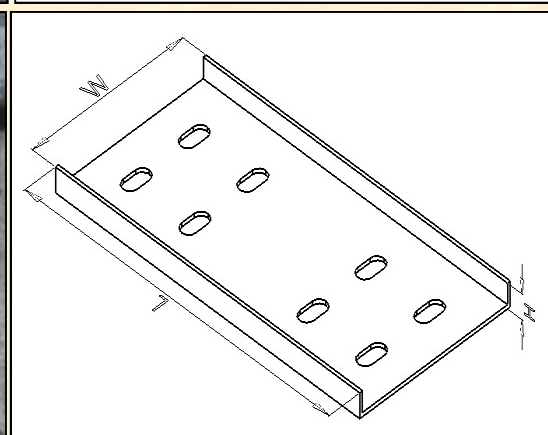

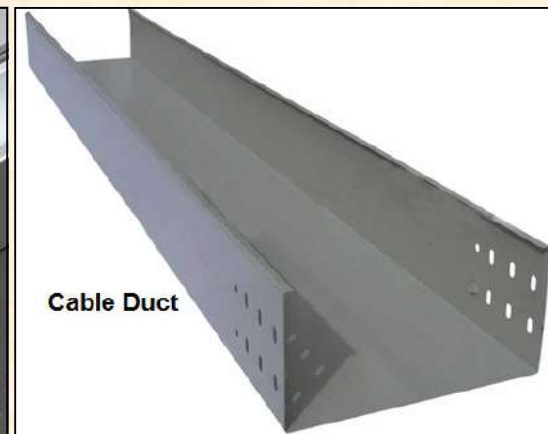

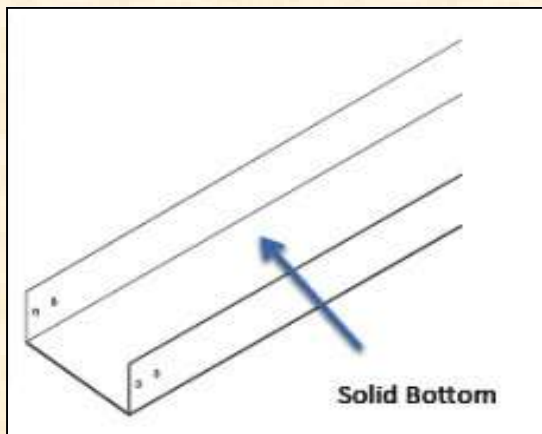

1. Low cost, significant cost savings compared to standard traditional tray products.
2. Light in weight, wide range of sizes From 100MM To 1200MM Width
3. Flexible, easy and fast installation. Design allows cable exit or entry at any point.
4. Cables can be secured to clamps or ties
5. Easy for line check and cleaning , easy maintained
6. All sharp ends are cut off to protect cables. Weight loading capacity is 27% stronger than traditional cable trays and cable ladders

# Cable Duct - Cable Trunking

Quality

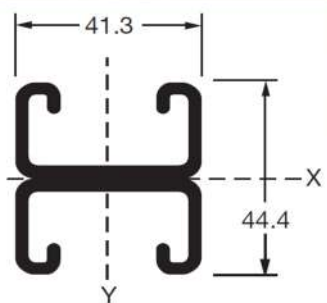

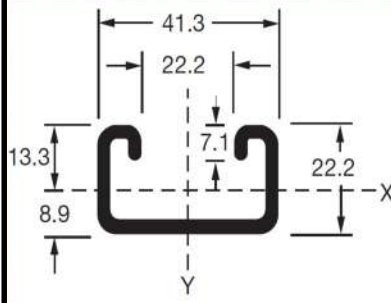

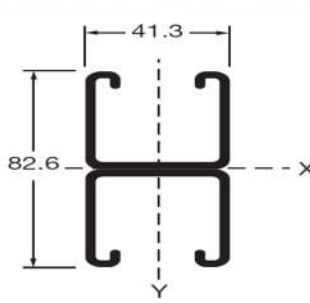

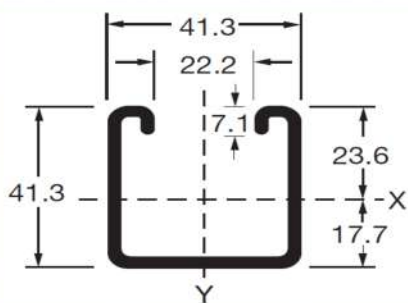

1. Same with cable tray but with solid bottom
2. More suitable for smaller cables like data cables and instrument cables.
3. Width of cable duct from 50MM to 600MM
4. Height of cable duct from 50MM to 200MM
5. Material GI sheet, MS HDG , and Powder Paint , Fire Retardant Paint

# UNISTRUT Channel

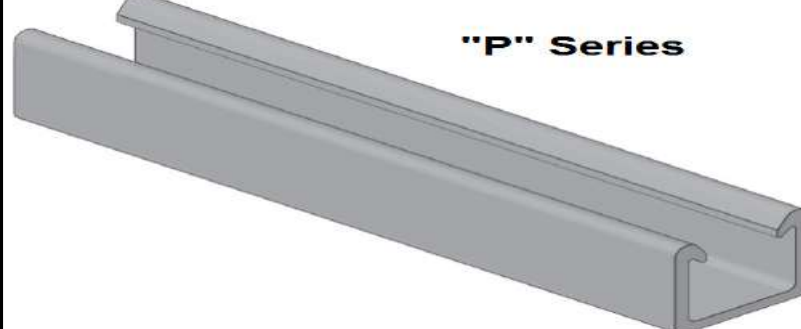

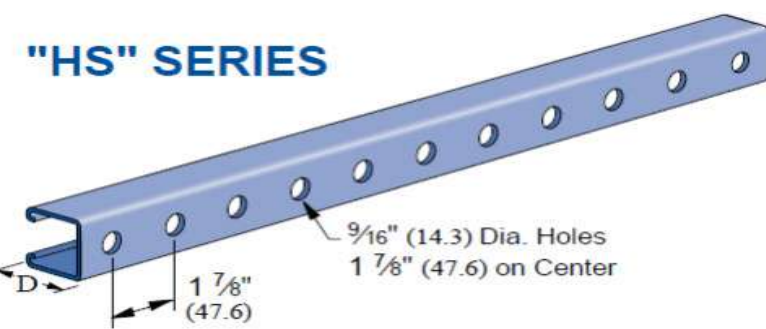

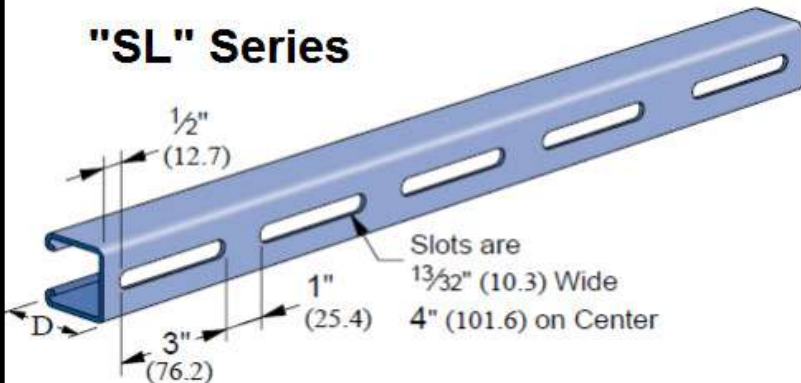

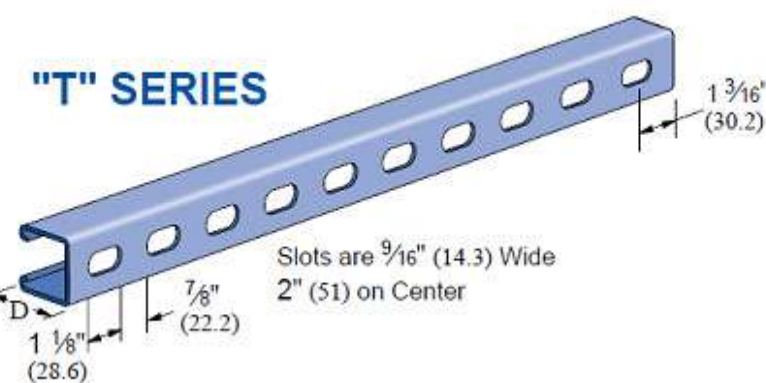

Quality

41.3mm x 41.3mm Single and Double Solid

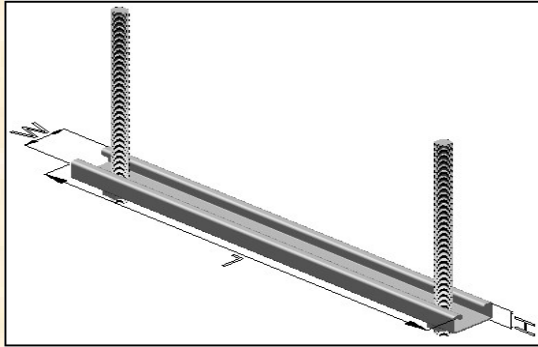

41.3mm x 22.3mm Single and Double Solid

# Cable Tray Supporting System

Quality

**Roof Hanging Support**

**Unistrut Cantilever**

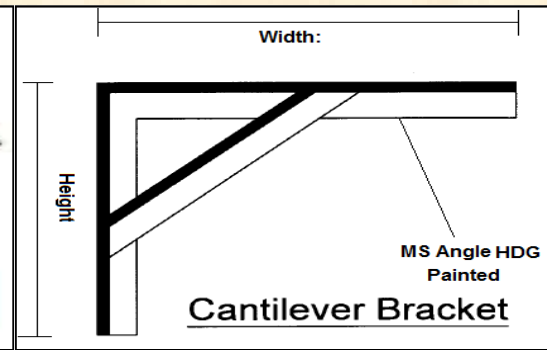

**Unistrut Wall Type**

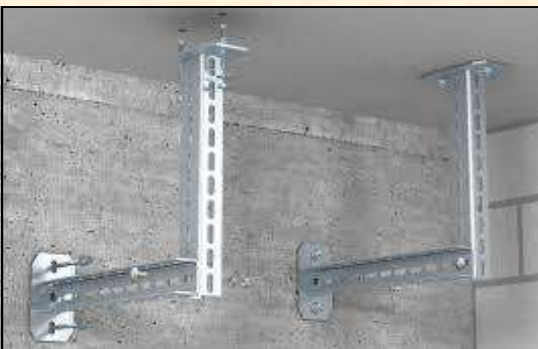

**Unistrut Powder Paint**

**Floor Base Support**

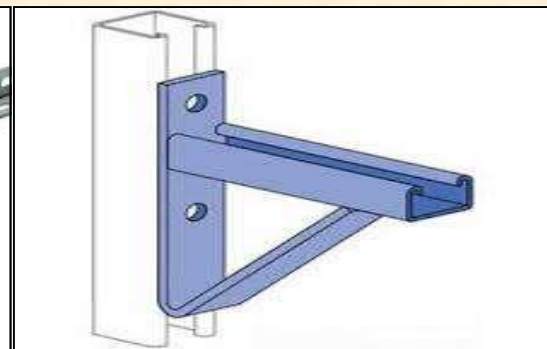

**Angle Cantilever**

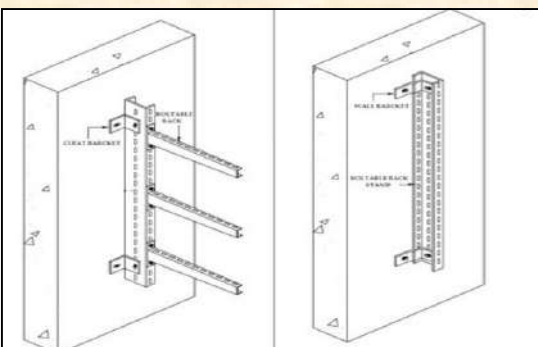

**Wall/Ceiling Bracket**

**Perforated Angle**

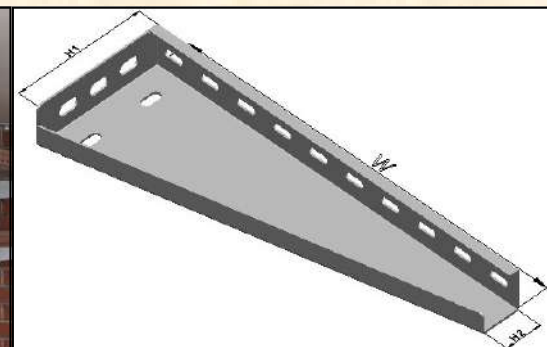

**Bus Tie Duct Support**

**Trench Type Support**

**Perforated Chanel**

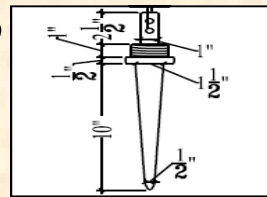

**Wall Bracket Sheet**

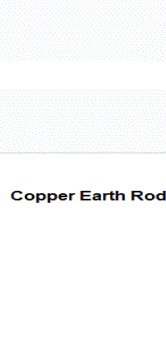

# 2-Earthing & Lightning Protection

Quality

From our own designed and manufactured products, through to Risk assessment and system design advice, We offer renowned total solution for earthing and lightning products

Concrete Earth Pit

Copper Earth Rod

Copper Strip All Sizes

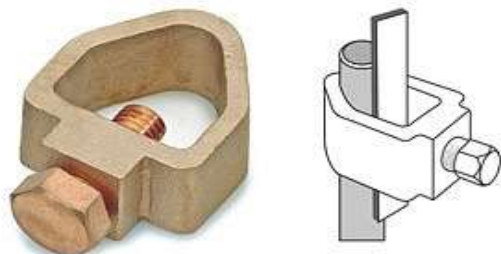

Bare Copper Conductor

Strip Holding Clamp

Strip Cross Clamp

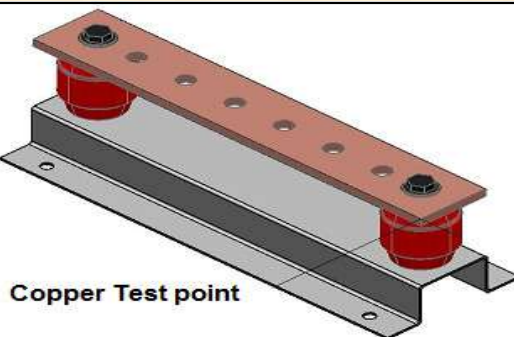

Clamp for Earthing Conductor A 3/8"

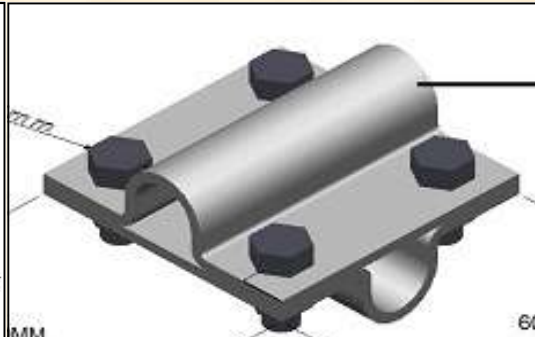

Lightning Arrestor

U Bolt Clamp

Earth Test Point

Cross Clamp

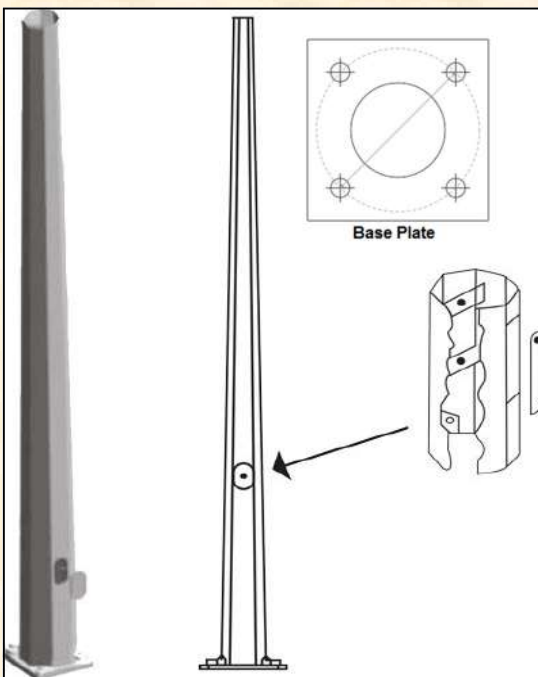

Maxi MV Clamps

# 3-Lighting Poles

Quality

Tubular Lighting Poles  
Octagonal Poles

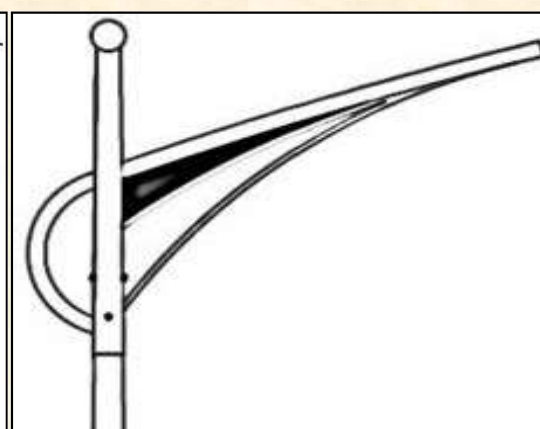

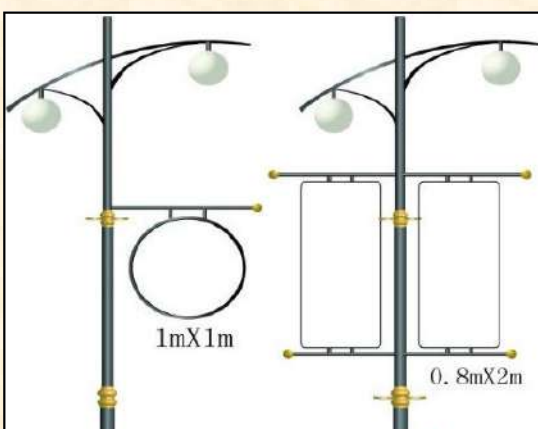

Round Conical Poles  
Garden Poles

**Octagonal Light Pole**

**Round Conical Pole**

**Tubular Pole**

# GI Conduit and Accessories

Quality

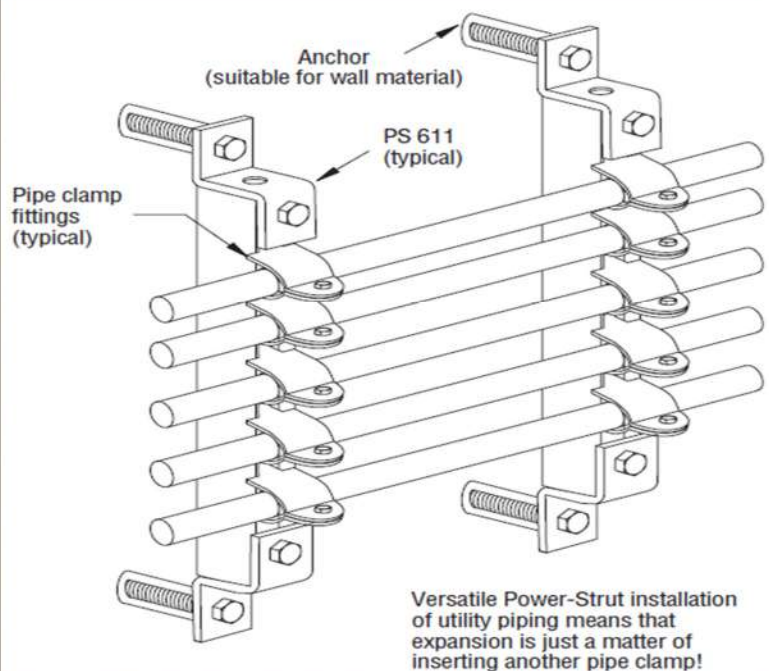

ALL Type and Size of GI Conduit and Accessories

GI Flexible PVC Coated

GI Flexible PVC Conduit

Wall Mount Organize & Control MultiShelf  
or Utility Support

Versatile Power-Strut installation  
of utility piping means that  
expansion is just a matter of  
inserting another pipe clamp!
